FOR A LIFETIME OF FLAWLESS SHINE

INTERIOR PROTECTION

FOR COMPLETE PEACE OF MIND

GLASS PROTECTION

FOR SAFER DRIVING VISIBILITY

VISIT LIFESHINE WEBSITE

STAGE 1

VEHICLE INTERIOR

1. Create a stain and water-resistant barrier for fabric, alcantara and leather upholsteries, footwells, carpets, mats and boot area.
2. Protect against unforeseen accidents like spills, sticky fingers, muddy paws and more.
3. Protect your vehicle's interior with an easy to clean treatment that can restore surfaces in a single wipe.

STAGE 2

VEHICLE EXTERIOR

1. A highly durable ceramic paintwork barrier that provides a flawless shine and superior protection which lasts a lifetime.
2. Protect against UV rays, bird droppings, tree sap, dirt and other environmental hazards.
3. A water-repellent coating that enhances the paintwork and is perfect for new and used vehicles up to 10 years old.

STAGE 3

VEHICLE GLASS

1. Protect side and rear windows from all external contaminants for an optically clear driving experience.
2. Repel water and other contaminants with this easy to clean, highly durable protective barrier.
3. Improve wet-weather visibility for safer driving, especially during heavy downpours.
